We came first in the Gala on Sunday 1 November. Well done to all the swimmers. Many thanks to Jackie and everyone who brought food or helped in any way. Thanks to Avril for making £126.50 on the Draw.

Edith Roberts was presented with a cup by the Lions Club for service over many years. Well done Edith.

Message from Edith

I would like to thank the Apollo Club for all the lovely cards, flowers and visits when I had my operation. It was a great comfort with the worry of my daughter as well. Thank you all.

Edith

Sports Day

Well done to all who went to the Sports Day on Sunday 5 October. As well as being a really great day out we had lots of fun, games and laughter. To top it all we got a medal for taking part. We surprised even ourselves at times with what we could do.

Our thanks to Malcolm for all his hard work in organizing the outing and to Tracy for arranging the transport. Thanks must also go to the drivers and supporters who brought members in their own transport to join in the fun. Our drivers are always very helpful and cheerful.

I don't know about the rest of you, but I for one am eagerly looking forward to our next outing. Look forward to seeing you all there.

Ta ta for now. Dorothy London
