### ***Sailing***

Sailing has now ended for this year, I have spoken to a few of the sailors and they all say what a lovely time they have had. Unfortunately I only managed to get out to Sutton Bingham on one evening and that is the one evening when it was blowing a gale and raining, There was a few brave ones who went out in the boat including me, and I was not the only one who went home very wet. I would like to thank Paul for all his hard work on Thursday evenings. Iris.

***Doll raffle: The date was the 4th June.***

Edith White (Ex lifeguard) was the winner. Thanks to Joan Duxbury for donating the doll. Thanks to everyone who bought tickets. And a big thankyou to Joan Owen who raised £100 for the club.

Please let's have some more jokes there must be somebody who can do better than these.

Why could male elephants swim whenever they want?

Because They always have their trunks with them!

Why did the swimmer go back in time?
